JOYAs® are made from PEFC-certified timbers or Mineral Composite:

Birch Wood

Cherry Wood

Mineral Composite

*Timbers and crystals are natural products and may vary in colour and structure.*

## Discover JOYA® - Your Island of Tranquillity

Joya is a Spanish word for treasure. Every time you relax yourself or others with a JOYA Massage you will realise there is a treasure lying in your hands allowing you to simply roll away muscle tension & stress - enhancing health & wellbeing.

**JOYAs are unique, handy & effective massage tools for personal & professional use**

Operating on the idea of a freely rotating crystal-sphere JOYAs create an entirely new massage-experience: smoothly rolling crystals, deep relaxation, great pressure without strain on the masseuse fingers and thumbs.

Relax yourself & others anywhere & anytime, from head to toe. JOYAs are ideal for neck, shoulders, back, arms and legs as well as for facials, acupressure and reflexology.

**With JOYA® everybody can massage!**

## Our Classic ...

### The JOYA® Massage Roller Classic

is the ideal massage tool to relax oneself or others from head to toe easily and effectively. The Classic lies perfectly in one's hand and allows relaxing or deep, targeted massages effortlessly, without strain on fingers and thumbs. It is often used for relieving tension on neck, shoulders, back, hips, legs. The Classic is nice to look at - so leave it on the desk or coffee table as a reminder to relax.

## Small but mighty ...

### The JOYA® Massage Roller Mini

is very effective for trigger point and reflex zone massages. It is popular for self-massages of small areas like face, neck, hand, feet and joints. If needed the Mini allows a very deep massage. It offers relaxation on the go as it is small enough to fit in any bag and can be closed with a cap.

## Massage on the Spot ...

### The JOYA® Massage Pen

is the most delicate JOYA® Massage Tool. As the smaller crystals can be applied more precisely it is ideal for facial massages - combining the cosmetic and relaxing effects of smoothly rolling crystals. The Pen is popular for tension headaches, sinus problems and often used for baby massages. It is also perfect for professional pressure point and reflex zone massages as the crystal pressure is adjustable - allowing the Pen to be used like a wand.

## Relaxation in a Double Pack ...

### The JOYA® Massage Roller Twin

allows to simultaneously and safely massage the muscles right and left of the spine. It is also ideal to massage larger areas like the bottom and thighs. The Twin provides great stimulation for blood circulation and detoxification.

## Absolutely professional ...

### The JOYA® Professional Range

includes the JOYA® Classic, Mini and Pen. It offers Massage, Beauty and Crystal Therapists the advantage to treat their clients to an entirely unique massage (or facial) experience. JOYA creates greater and deeper results with less effort while saving therapist's hands from strain related injuries. Made of a mineral composite it is suitable for repeated cleaning and disinfection - important when using oils on skin.

## Pure Indulgence ...

### The JOYA® Double Set

comes with 2 Classics and allows to simultaneously massage with both hands - an absolutely divine experience! A choice of three pairs of crystals offers a wider range of applications. All Sets also include a gem remover, booklet, pouches and a Crystal Sample Chart.

## Well treasured ...

### JOYA® Timber Cases

are stunningly beautiful and the perfect way to store JOYA® massagers and crystals. They are ideal as a professional display, for mobile therapists and the JOYA® collector. The elegant, hand crafted Cases are available for Classics and Pens.

"Our family went to Fiji for a holiday and we took our joyas with us as we use them nearly every day. Our Teenage boys picked the crystals. We used them heaps to massage away any stress. Thanks to JOYA!" **Rita Wright**, Sydney, NSW

"My clients have reported an incredible sense of calm and relaxation that they have never experienced before. I couldn't imagine not having my joyas which is amazing as I've been massaging for twenty years - now joya saves my thumbs. Thanks for this fantastic tool." **Priscilla French**, Priscilla's Holistic Massage and Beauty, Glenorie, NSW

## Comfortably warm ...

### The JOYA® Warming Pillow

helps to loosen muscle tension prior to a massage. A JOYA® Massage with warmed crystals is a truly indulgent experience. Made from organic cotton and filled with non-chemically treated grains the Warming Pillow has a small pocket to warm the JOYA® Massager and/or crystal in the pre-heated pillow.

## Celebrating massaging ...

### The JOYA® Warming Bowl

is a beautiful decoration and a practical accessory for warming the massage spheres prior or during a treatment. Applying crystals warm will increase their effect in a JOYA® Massage. When filled with essential oils, the Warming Bowl lends a pleasant aroma to the treatment space. Amethyst Chips and fireproof pads are available too.

## Learn more ...

### The JOYA® Book "Crystal Massage for Everyone"

- often called the JOYA® Bible - provides step-by-step instructions for massaging oneself and others for particular health challenges. It gives details of the effects when using different crystals.

**JOYA® Crystal Chart** summarizes crystal effects that have been observed in the JOYA® Massage, the associated chakras and zodiac signs.
